

All Souls Orchestra Partnership

Come and join us

All Souls Orchestra

Partnership - *sharing the Gospel through music*

Langham Arts Trust is the music ministry of All Souls Church, London. While we run big events, such as *Prom Praise* at the Royal Albert Hall, we are a small, self-financing charity with a very small number of staff. However, we have big ideas for mission through music:

Mission to the UK – continue taking *Prom Praise* events to venues around the UK. The All Souls Orchestra regularly tours Scotland, Ireland and many major UK cities. We could do more but as costs for each event continue to rise, we rely even more on our partners to help spread the ministry.

Mission to Children – *Prom Praise for Schools*. 13,000 London school children from all backgrounds have attended the PP4S events at the Royal Albert Hall hearing the gospel message through workshops and the concerts with the Orchestra. We want to meet the requests from other cities around the UK to take this unique event to their children.

Mission to Overseas – taking the *Prom Praise* style of event to countries where there is an opportunity for sharing in evangelism with local churches. The Orchestra has been to Greece, Bulgaria and Israel. We have had invitations from Korea, USA and South Africa and would love to be able to fulfil these and other opportunities with the support of our partners.

Mission to Churches – the development of the Orchestra's musical library, with over 500 works, to make it available online to church music groups around the world. Alongside this, we often get asked to provide workshops at churches to help develop use of instruments in their worship.

These mission opportunities can only proceed when we have the financial support required. You can help make one of them happen. Please take a moment to read this leaflet and prayerfully consider if the music ministry of this Orchestra could be a charity to which you give regularly.

How will my money help?

Langham Arts Trust is a registered charity (1059611) which requires financial support in the pursuit of its aims “to advance the Christian religion”. The members of the Orchestra and choirs, some of whom are professional musicians and singers, all give of their time and services to *Prom Praise* without charge. However, the rest of the world is not as generous!:

- To hire a piece of music for a concert is £50 or more.
- To produce a musicians visit to schools can be upto £150 and to register three schools to experience *Prom Praise for Schools* (PP4S) is over £500.
- £1,000 will hire a coach to take the Orchestra on a tour in UK, or pay the airfares of two or more musicians to share the gospel through music overseas.
- It costs several thousand pounds to hire a concert venue.

This is just to name a few of the costs involved. By becoming a Partner and making regular contributions you will directly support the outreach work of the Orchestra and allow us to plan its ministry for the future.

Remember we can claim Gift Aid on almost all of your donations, increasing the value to the Orchestra by over a quarter.

**For more information and to become a Partner of All Souls Orchestra, please contact Langham Arts on 020 7935 7246
email: office@langhamarts.org or complete and return the attached form.**
